WATER RATES MAY BE RAISED FOR EAST TOWNSHIP SYSTEM

At Present Time System Is Barely Meeting Ordinary Operating Expenses—New Water Main On O'Fields Road Estimated To Cost \$12,776—Polling Booth Officials Get A Raise In Pay—Aikens Chairman Of Roads.

North Grimsby council in session for the first meeting of the year on Monday, spent a lot of time discussing the idea of raising the water rates, in some manner or other, of the east end system. Water Rates Collector Herb Gillespie reported that in 1945, the system used 13,000,000 gallons of water at a cost of 26 cents a thousand gallons, or a total cost of \$3,380. Revenue from the water customers amounted to \$3,753, which amount also includes the meter rental. On this basis, Mr. Gillespie drew attention, no provision is made for extension of services or for the taking care of bad breaks should they occur. In fact when the meter rental money is deducted from the grand total there is barely enough revenue to pay for the water purchased from the Town of Grimsby.

At the present time east end residents are paying \$10 a year with a minimum of 30,000 gallons before they pay anything extra on their meter reading. Mr. Gillespie suggested that the \$10 rate remain as is, also the meter rental of \$1.50 a year, but that the minimum amount of water allowed on this rate be reduced to 20,000 gallons. Council and Mr. Gillespie will study the question further and make a final decision at the next meeting of council.

Council passed a motion to grant West Lincoln Memorial hospital free water for the year, council to pay the east end system for the water used, thus the whole township paying the cost instead of the east end system.

An estimate of cost from McKay and McKay, Township Engineers, for the construction of a six inch water main with hydrants, valves, etc., on O'Fields' sidewalk was received. It is figured that this job will cost \$12,776. The length of the main would be 5,900 feet.

Deputy Returning Officers and Poll Clerks, in the township, will be paid \$6 and \$5 respectively instead of \$5 and \$4. Also polling booth rental will be \$8, with Park school getting \$15 owing to the fact that two booths are used at this school.

A building permit was granted to Mr. Arkell for the construction of a factory building on Cline Mountain road.

Councillors Mitchell, McNiven and Clerk Allan will represent the Township before the Ontario Municipal Council.

Must Register Souvenir Guns

The attention of all returned soldiers who brought pistols or revolvers home as souvenirs is drawn to a police order requiring that these weapons be registered with the police before the end of this month to avoid prosecution.

This order applies to any person who holds an unregistered pistol or revolver but does not affect holders of rifles and shotguns which have been exempt since last summer.

Re-registration of all pistols and revolvers was conducted last July. Those who failed to register such a weapon at that time are warned to do so before Jan. 31st. Those who fail to comply with this request will be subject to prosecution. Grimsby residents should register weapons at the Police Station, rural residents with the Ontario Provincial Police.

UKRAINIAN XMAS CONCERT IS ATTENDED BY LARGE AUDIENCE

National Choir of 50 Voices Present Pleasing Vocal Program—Folk Dances Evoked Ovation—Conditions In European Countries Outlined By Speakers.

Before an enthusiastic audience of more than three hundred, the Canadian Ukrainian Committee of Grimsby presented its first Ukrainian Christmas Concert last Saturday, January 12th, 1946 in the auditorium of the Grimsby High School. The concert featured the A. Koshetz Ukrainian National Choir under the capable direction of Mr. Frank Martyniuk of Grimsby.

The programme included songs by the choir which numbered 50 youthful singers, vocal solos by Miss Doris Hutsalluk and Mr. Roman Hutsalluk, guests sung by Miss Doris Hutsalluk and Miss Ann Podolian, violin selections played by Mr. Ben Korney, guitar-violin duet by Lublensky brothers, recitations by Miss Olga Ormelchenko and Miss Julia Fay. A special feature was offered in the form of folk dances. The dancers—Ann Podolian, Marie Gulewich, William Gulewich and Walter Shumsky evoked a great ovation from the public.

Selections rendered by the choir consisted mainly of Ukrainian Christmas carols and several traditional airs. Its performance were greeted enthusiastically by the audience.

The main address of the evening was delivered by Vladimir Gulewich in which he outlined the aspirations of Ukrainians in Europe and the critical condition in which they find themselves at present.

In the closing address Very Rev. Father Nicholas M. Kohut, O.S.B.M., president of the Ukrainian Canadian Committee of Grimsby called upon the Ukrainians in Canada to extend a helping-hand to their relatives and friends who were living in extreme wretchedness in their present surroundings with, in addition, no better future outlook than to return to their now ravaged homes and live under Soviet rule. Furthermore, Father Kohut pointed out that Ukrainian Canadians were taking their place in the life of Canada. Summing up that close to 40,000 lads of Ukrainian descent had served in the Canadian army with 250 as commissioned officers he ended, "We too, at Grimsby and vicinity have done our share with 40 of our boys in the armed services."

South Grimsby Will Remain Dry

For the second time in three years residents of South Grimsby, which includes Smithville voted Monday against the operation of beverage rooms within the township, although the wets outvoted the dries 385 to 380. In Smithville, 221 favoured the beverage rooms; 239 were against. In ward 2 the wets outvoted the dries 97 to 61. Ward 3 saw the dries outnumber the wets 80 to 67.

In 1943, the wets had a majority of 25. In Monday's balloting, more than 90 per cent. went to the polls, with but six failing to vote in middle ward.

While the wets had a majority of five on the total vote, under the law it was necessary for them to have a three-fifths majority of the total in order to repeal the law, this they failed to obtain and as a result the township stays in the dry column.

Property Booming In County Town

An All Time Record Of Real Estate Transactions Was Made In 1945—100 Deals A Month.

A boom in real estate transactions, which started with the closing days of the war has continued and is gaining momentum, reports Martin H. Laird, St. Catharines assessment commissioner.

An all-time record was established in 1945 both in the number of property transfers and their value, he said. There were 1,126 transfers, for a consideration of \$3,948,784 and another 156 transfers from one member of a family to another, each involving the nominal sale fee of \$1.00.

In 1938, the year before the war, there were 400 transfers involving \$863,875, and 143 transfers for \$1 each. The increase since the period before the war, as compared with 1945, was 726 more transfers, while the increase in the value of property involved was \$3,084,909.

In 1944 there were 876 transfers for a consideration of \$3,051,108, and 161 family transfers. During the month of December, 1945, there were 71 large property transfers involving \$259,479, and 14 family transfers for \$1 each.

Commissioner Laird said that the monthly average before the war was about 25 transfers, but this has now increased to an average of almost 100 a month.

Bad Barn Blaze At Vinemount

Five head of cattle, two head of horses, all of last season's hay crop and a large quantity of implements were consumed by fire which destroyed a large barn on the farm of Carl and Mrs. Millen, R.R. No. 1, Vinemount, on Monday evening.

The blaze was discovered about 8.15 and valiant work by friends and neighbors kept the blaze under control until the arrival of the Stoney Creek fire department who were able to save a large portion of the structure.

The building and stock were partly covered by insurance.

Province Will Help Orchestra

West Lincoln Musical Body Receives Recognition From Government—Will Assist Other Musical Organizations.

The Government of Ontario has under consideration a plan where, by tangible and constructive aid may be given to orchestral organizations, providing they are properly constituted and are of profit-seeking in their financial structure.

Representations on behalf of the West Lincoln Concert Orchestra were initiated in February of last year to the Hon. George Drew in his capacity of Minister of Education and The Hon. Charles Daley, Member for Lincoln County, who is also a Patron of the Orchestra.

As a result of these negotiations the matter was passed to the Universities' Adult Education Board of Ontario for further consideration, which culminated finally in an invitation from that body to send a delegation to Toronto for a conference at which time consideration would be given as to the most effective manner whereby Government assistance could be administered not only for the Lincoln County organization but for similar organizations throughout Ontario.

Major and Mrs. R. G. Saunders of Beamsville were delegated to represent the Orchestra and during a three day conference last week they waited upon the Hon. T. L. Kennedy, Acting Premier, the Hon. Charles Daley, and Mr. Ross M. Winter, Director of the Universities' Adult Education Board. They were given every consideration and assured that substantial material assistance will be forthcoming as soon as the necessary machinery can be set in motion.

The delegates were co of the ed upon the aspirations of the orchestra, West Lincoln Concert that it is and in view of the fact that it is the first of its kind, we pattern probability be used as a organization granting aid to similar organizations in Ontario.

All municipalities a unit will have one member on the Board of Directors, providing that support tribute either by financial musical or personal service to the effort.

Flowers Blooming In Fruit Belt

Herb. Betzner Picks Pansies In His Garden—Howard Hysert Had Dandelions In Bloom.

With all the bragging that The Independent has done about the Grimsby Fruit Belt being the finest country in the world and that the "winters are like the North-west summers", every once and awhile something turns up to prove our point.

Last week another example came to light.

Herb. Betzner, who is a floriculturist of no mean ability, walked out into his garden and picked a nice bunch of pansies, in full bloom, to decorate the living room table.

Within two hours of Herb. leaving a posy on the editor's desk Howard Hysert of Grassies stopped in to inform us that his pansies were in full bloom and also that dandelions were blooming.

Probably by the time this gets in print we will have three feet of snow, but it is "anomatter".

Peach Varieties Are Under Test

Fifty-Four New Types Being Thoroughly Tried Out—Some Trees Available For 1946 Planting.

In 1940 the Dominion Experimental Station, Harrow, planted 54 peach varieties for testing purposes. In 1945 the trees bore their third commercial crop and a certain amount of information is available for those contemplating some further planting in 1946.

Most of these varieties were produced in the United States. Reports from some nurseries handling them indicate that the supply of trees is restricted at present but that the situation will be changed in 1947.

Only with the yellow fleshed free-stone peach of good colour which can be sold at the packing shed or shipped to Eastern markets are dealt with.

The early part of the peach season is well provided for by Fisher, Sunbeam a New Jersey introduction which ripens at the same time as Fisher has very promising qualities, however, for it is an attractive coloured yellow fleshed free-stone peach, medium in size, of excellent flavour and the yield notes indicate it is a good bearer. Oriole is well-known but its fuzzy unattractive appearance and tendency to run small unless heavily thinned, are against it. A not very new variety called RED HAVEN from Michigan might replace Oriole altogether in new plantings. Red Haven is deep red yellow-fleshed free-stone peach of large size with a bright red fuzzless skin. The trees are large and healthy and show signs of yielding a heavy crop in 1946.

Independent Reporter Interviews First Babies At West Lincoln Memorial—Everybody Happy And Healthy—Germs Have No Chance—Jams And Jellies Are Wanted.

By special permission of Miss Douglas MacRobbie, Superintendent, your reporter was accorded the privilege, last Sunday morning, of interviewing the mothers of the first three babies born in West Lincoln Memorial Hospital.

Clad in the regulation hospital gown and mask, to guard the patient against all possible danger of infection, we were conducted to the ward occupied by Mrs. Harry Kristalovich, whose little daughter, Sylvia Frances, was the first baby born in the new hospital. She arrived Wednesday morning at 3.15, Jan. 9th. A lusty infant, weighing a good ten pounds at birth, Sylvia shows that already she has a mind of her own, and knows how to use it to call attention to her needs with a cry that would do credit to a child at least three weeks her senior.

Mr. and Mrs. Kristalovich came to this district four months ago from Winnipeg and bought a small fruit farm near Beamsville, where the ten year old son of the family eagerly awaits the homecoming of little sister Sylvia. They are all longing for the coming of spring that will bring the Blossom Time of which they had heard so much in their Winnipeg home. Coming here a stranger, Mrs. Kristalovich read in the local paper about the little hospital on the hill and hoped it would be open for her baby's arrival. She did not want to go too far from home with her two left alone, tending for themselves. And so it was! Just in the nick of time!

We found Mrs. Clifford Walker, of Grassies, and Mrs. Stuart Warwick, of Smithville, in a large, bright ward with windows looking to the south through which the winter sun streamed. Mrs. Walker's young daughter, Rowena Bernice, arrived early Thursday morning. Next day, at noon, exactly, Mrs. Walker's Elizabeth Louise put in an appearance. Mrs. Warwick also has a little son at home.

Vital Statistics

Births in Grimsby town in 1945 were at a very low ebb according to figures provided by Clerk G. G. Bourne, as only six children were born in the municipality during the year.

As previously explained in this paper all births are registered in the municipality in which the child is born, consequently all children of Grimsby parents born in a hospital or nursing home outside the municipality are not registered as born in Grimsby. Next year the North Grimsby birth registration will no doubt be very large on account of the opening of West Lincoln Memorial hospital.

Marriages in town totalled 30 and deaths 34.

ADVERTISING CALENDAR CAUSE OF RATION COUPON CONFUSION

(Burlington Gazette)

On Thursday last several inspectors from the Wartime Prices Board paid an official visit to the local stores to check up on prices, and see that everything was generally in order in accordance with W.P.T.B. regulations.

They spent the whole day among the business places, and they found that an alleged unauthorized calendar that had been distributed around town showing coupons valid in December, which were not valid until January, had caused a breach of the regulations. During their investigations several stores had accepted coupons valid in January, when customers had produced the calendar.

The W.P.T.B. send out by the first of each day and date the ration coupons are valid, and merchants who did not follow the instructions issued brought the bulletin are liable to prosecution and a heavy fine.

Idea of Widening Main Street From Forty Bridge To St. Andrew's Avenue Advanced—Price Chairman Of Finance—Estimates Of Expenditures Must Be Prepared At Once So Mill Rate Can Be Struck Next Month.

Inaugural meeting of Town Council for 1946 was held in the Council Chambers on Monday evening, Rev. A. E. Brooks, Rector of St. Andrew's Anglican church opened the meeting with prayers and Mayor Harry Bull welcomed the members of council for another year of service to the municipality.

Council had a busy evening, particularly with routine matters that must be dealt with at first meeting. All told 32 motions were passed as well as several routine by-laws.

Standing committees for the year were appointed as follows, with the first named as Chairman: FINANCE—Price, Bonham, Lewis.

FIRE AND LIGHT—Bourne, Bonham. BOARD OF WORKS—Inghart, Bourne, Chivers. WELFARE—The Mayor and Reeve.

PROPERTY AND CEMETERY—Lewis, Bonham, Chivers. POLICE—Bonham, Lewis, Price. PUBLICITY AND INDUSTRIAL—Bourne, Inghart, Price.

Councillor Chivers advanced the idea of having Main street widened from the Forty bridge west to St. Andrews avenue, particularly at the curve on top of Palmer's hill and the curve at Knockers Hill corner. After some discussion council decided to contact the Department of Highways regarding the matter.

Considerable discussion took place as to the best plan or method of extending an entertainment way, come to Grimsby's returned heroes of this war. Council will meet as a whole to consider ways and means of entertaining the veterans either in one big body or in groups. North Grimsby council will also be contacted regarding this matter.

Mayor Bull impressed upon council the importance of the mill rate in February. The mill rate in February will meet as a whole to consider this matter. Public Library was \$1400.

Chief of Police W. J. reported that in December was one drunk charge.

ADVERTISING CALENDAR CAUSE OF RATION COUPON CONFUSION

The inspectors, however, understand have nothing to do with prosecutions, and in their reports to the board, the question in the minds of the business men, was that if valid coupons were shown, they have under the regulations. The inspectors found the calendar with a call to attention, why such an error was made in the calendar, but was in our office, and was given some other thing.

LATE SPORT

And off into the chilly night rode Rushton's galloping Peach-arc's. The silenced guns of Dunnville behind them. (Wonder where that Dunnville guy is, who was waving the "C" note around here last Friday). Following the road to the top of the league. (Mighty crooked road on the way to Port Colborne).

Much chatter about the Kings being handicapped by a loss of players. Wonder if the "20" is frozen over? Perhaps a couple of Smithville boys might be getting in some practise in that local bush league.

Game time. Port's score in the opening twenty-seconds. Pine from Doan, Grimsby retallate at 11.43, Whitfield from Duffield and Miller. No penalties in first period.

Opening minutes of the second stanza, Clancy scores from Warner and Craig, and at six minutes Tallman notched the third Grimsby goal. Period ended with Grimsby leading three to one.

The final round, and the Kings lodged three behind the hard-pressed Jerry Doan, Ports net-minder. Duffield from Miller, Miller from Tallman, and with four seconds to go, Normie Warner hit the headlines with a solo effort. Ports picked up a goal in the third period, Pine scoring from Herbert.

There were no penalties throughout the whole game, which was fast and clean in all respects. But the six to two score is a true conception of the Kings efforts.

Referee was Frank Elliott of St. Kitts, and linesman Frank Gallinger of Port Colborne.

Bring on the Paris Greens. We like our spinach.

Economy Bans Highway Lights

Highways Ministers Doucet said Monday that economy is preventing complete lighting of the Queen Elizabeth Way, which runs from Toronto into the Niagara district.

In average prewar years the highways department had an average of \$30,000,000 to spend on upkeep of Ontario's roads, he said.

"Now we are down to \$18,000,000 for upkeep of all highways."

He said, however, that danger spots have been lighted. Some are at Port Credit clover leaf, outside Toronto; at St. Catharines and Niagara Falls.

Cubbing

The greater part of last week's meeting was spent passing tests. Many of the Cubs have been working hard and will soon be awarded the First Star—which shows they are becoming wise in the ways of the Jungle and have one eye open. The following were successful:

Health—Jimmie Banks, Jimmie Durham, Don Grad, John Gillespie, Rube Hatter, Furney Hill, Don Lambert, Billy Lee, John Lawson, Ronnie Moore, Jack Ryan, John Sawyer, Harry Tuer, Terry Vernon.

Book Balancing—Parney Hill, Billy Lee, Tom Little, Ronnie Moore, Jack Ryan.

Union Jack—Jimmie Banks, John Lawson, Terry Vernon.

Time—Billy Lee, Ronnie Moore, Harry Tuer.

Hopping—Billy Lee, Harry Tuer, Compass—Harry Tuer.

Leap-Frog—Billy Lee, Ronnie Moore, John Sawyer, Harry Tuer, Terry Vernon.

The Grand Howl was taken by Billy Tennant of the Blue Six and Albert Mitchell was presented with the Collector's Badge by Akela. The games included an exciting and noisy Basket ball Relay with Bagheera and Baloo taking part in the fun.

THAT'S DIFERENT

IS GRIMSBY BACK SLIDING

To the Editor:

Whereas, last week was observed as a national week of prayer, and people of different Churches united hearts and voices in praise and thanksgiving to God for victory in the long struggle with those nations who would take our freedom from us, for the return of many veterans to their homes again, for the families of those who did not return, that they would be consoled by the fact that their loved ones did not die in vain, but that we might enjoy the four freedoms of the Atlantic Charter, for the United Nations Conference now in session daily that they may be given wisdom in their deliberations that Capital and Labor may be given wisdom to settle their problems, that the nations of the world may see the folly of war, and by accepting Christ and His principles, may usher in an era of "Peace on earth, good will toward men."

I was, like many others, sorry to observe that our churches in our Town of Grimsby did not co-operate in the national week of prayer.

Surely Grimsby has much to be thankful for, a favored town, situated between mountain and lake, in a veritable garden of Eden ("A thing of beauty, and a joy forever") ("I love thy rocks and rills, thy woods and temples hills") with its Churches, schools, industrial plants and ever growing population, with a low tax rate, served by a good council and a good weekly paper with a name that means so much, and a real asset to the town, "The Grimsby Independent."

Yours for the Spiritual and material prosperity of the town,

P. J. Jordan

OLD FASHIONED

In a welcome to the New Year, Dave
... in The New York Sun, continues to
... old fashioned ideas in the parlance of
the modern age. He submits:

The New Year comes in with dragging
wings. His hair is in his eyes. He has goose-
pimples all over him and there was lots of un-
certainty about the landing strip; 1946 has a
sign written all over him: "When a fellow needs
a friend."

If we don't all give him our share of help
we're crazy. Every man should shake off the
"Let George do it" mood, take his own turn at
bat and do his full share of watching, worrying,
and fighting for the better world he talks so
much about.

Talking a good fight won't be enough. The
atomic bomb and the troubles of the whole
world hang over Tom, Dick and Harry as much
as the Big Three. In fact, Tom, Dick and Harry
are the real Big Three.

What the world needs is the moral con-
science, the capacity for indignation and the
will to do something about it that our fore-
fathers had. They didn't leave it all to the mite
specialists, the commentators, the limelight
performers and the Gallup polls.

Nor to the government, it might be added.

CONTINUED CONTROLS

In spite of the general repugnance of Can-
adians to be ordered, pushed around or regi-
stered, there is a two-line brevity comment
... in the Star, which
deserves some consideration. That writer
says, and he is right at the grocery store
window:

... is unrationed in the United States,
... buy some in Detroit! As long as
... not plentiful, it is far better to ration
... everyone gets a fair chance."

... far better system when a house-
... coupons or tokens, knows exact-
... can get for the home larder, than
... shop from one place to another
... off with the answer that but-
... meat most desired is not available.

... conceivable that the mistress of a
... would send her maid or
... in the morning to grab off
the scarce food commodity, something which
average housewives, with their home chores,
cannot do.

The meat and butter rationing in Can-
ada, also sugar, is a fair deal for everybody.
We will all be glad, of course, when things
are free and easy again, but even now nobody
is suffering.

POOR OLD GLORIA

Gloria Swanson, mind you, it is her fifth
husband she is putting the bee on, is after
\$2,900 or \$3,000 per month which he pro-
posed her, rather than the meagre \$200 per
week which she is receiving. The old boy pro-
posed her a yacht, too, and he hasn't made
good; and a glass bathroom. Gloria, at \$200
a week, has had actually to hock some rings.

At this domestic linen is being washed in
a California court; of course, where else
could it be? It is one of the amazing things
of the age how the film business can thrive
so well, drawing millions and millions
through the foyer, and yet publicize and ex-
ploit nothing but moral lepers, in so many
cases of alleged stardom. It is enough to
make one weaken a little on human nature,
if the moral fibre of men, women and all
good decent family life is due for extinction.

In this notorious case, The Ottawa Jour-
nal sends some fine words of indictment.
That paper observes:

"Whether Swanson gets \$200 or \$500 a
week from her fifth husband; whether she
gets a glass-bath, yacht or no yacht at all,
are of little moment. What does concern de-
cent people, however, is the incredible vul-

garity of so many of the men and women
raised to notoriety by the films. They parade
before the world their 'love' affairs, their
marital affairs, their financial affairs, as if
what they say and do really mattered, and
to them dignity and reticence are no more
than archaic words in the dictionary.

"The newspapers are not without fault in
the matter, of course. They give the film stars
the publicity on which they live and thrive and
then, apparently, have to try to satisfy a public
curiosity they have helped develop. They have
willing and eager co-operation from 'stars' with
too much money and too few brains, people of
exaggerated ego and no sense of balance or dis-
cretion, people of low and vulgar tastes as lack-
ing in culture as in decency."

As regards the amusement world, and it
must be conceded that the film is wonderful,
never even dreamed of forty years ago in its
magnificent present day setting, there re-
mains a nostalgia among older people for the
legitimate play.

Those who have seen and heard Forbes
Robertson, Sir Martin Harvey, even the
great minstrel troupes which used to tour
Canada, would surely like a return engage-
ment.

Our movie-talkies are grand, but there
is something about the old time play which
is ineffaceable in the memory of the older
generation.

LET'S GET RID OF THIS FARCE

Compulsory registration was abolished
in Britain last week. It should also be ab-
olished in Canada.

Of even dubious value as used here in
wartime, there is no justification whatever
for tying up substantial personnel and equip-
ment in maintaining national registration in
peace. There is no place in a real democracy
for this special pet of European police forces.

So far as the average citizen is concern-
ed the only time he has been asked to pro-
duce his registration card was when he was
about to undertake the long drawn-out pro-
cess of making a purchase at a provincial
liquor store. And even in this case the use of
registration has not allayed the wide sus-
picion that thousands of liquor permits have
been issued to persons not entitled to them.

There is not sufficient good reason for
keeping up the farce of registration any
longer. The authorities would be well advised
to abolish it before these moldy bits of paper
cluttering up our wallets completely dis-
integrate.

Letters to the Editor

Grimsby, Jan. 15, 1946

The Editor,
Grimsby Independent
Grimsby.

Dear Mr. Livingston:-
The Board of Directors of the West Lincoln
Memorial Hospital wish to thank you and your
readers for your support during the three years of
effort to bring this Institution into being.

Your reward and our reward is the knowledge
of a job well done for the betterment of our com-
munity.

Speaking for the Staff who are already carrying
grave responsibilities, I can assure you of unflinch-
ing devotion to duty in the task undertaken by them.
Again thanking you

Yours truly,
A. R. Globe President

Boy Scouts

Monday's Scout meeting was under the leadership of ASM Earl Luey and Troop leader Leon Betzner. At the opening horse shoe Scouts Cliff Schwab and Sid Henley carried the flags. During corners the patrols studied knot tying and in a rope tying

test made later in the evening Ralph Farrell and his Beaver patrol and Donald Catton with his Bull Dog followers received equal honours in this test. Total points for the evening were as follows: Beavers 58, Bull Dog 41, Eagle 30, Seals 28. The Honour flag again goes to the Beavers who have held same for two months. A very interesting skit was presented by four of our senior scouts. "The Troubles of an Editor." Donald McAlonen played the part of the Editor yes he did the part very similar to the editor of The Independent. "Mainly he got what he went after." Reporters for the paper were Donald Catton, Donald Mogg, Lorne Lindensmith. The skit opened to find the editor in great distress. Not a recent happening to fill his columns. He sends his reporters out for news and they return with news that is two three hours old, and he tears his hair and yells for something that just happened. The reporters being desperate searched for news and being unable to locate suitable material one of their number had a bright idea. He came bounding into the office and said "I have the news you want? What is it? A murder: Where when: tell me: Right now sir and he up and shoots the editor.

After such a stirring tale we will live in expectation to see the Beavers do their stuff next Monday night. Scout's remember dress warmly next Monday night, outside games.

1000 Workers Get 40 Hour Week

Inauguration of a 40-hour week for plant employees of the nine subsidiary brewing companies of Canadian Breweries Limited will become effective at once, it was announced by E. P. Taylor, chairman of the board. There will be a corresponding increase in hourly wages so that "take-home" pay will remain unchanged.

Mr. Taylor also announced that employees with more than one year's service at Dec. 31 of the preceding year will receive two weeks' holidays with pay and those with six months' service one week with pay. Six statutory holidays with pay will be observed, he said.

The nine breweries affected include four O'Keefe's plants in Toronto, the Brading and Brading's Capital plants in Ottawa, the British American Company at Windsor, Carling's plant at Waterloo and Carling Breweries (Walker-ville) Limited at Windsor.

The company submitted its proposed changes to the Regional War Labor Board last December in accordance with terms and agreements reached between unions and the company. Until now, employees have been working a 44-hour week.

NEW HEALTH MINISTER WOULD BUILD UP TOWNS. Decentralization of Ontario industry was urged by Ontario's new minister of health, Hon. Russell T. Kelley, at the annual convention of the Ontario Federation of Agriculture in Toronto on Thursday, Jan. 10. Mr. Kelley is the head of a Hamilton advertising agency, secretary of the Wentworth county Federation of Agriculture and has been particularly active in Red Cross blood donor work during the war.

Questioning the wisdom of the efforts of Ontario's big cities to make themselves still bigger, Mr. Kelley said that "we would be better off if we were building up the small towns." He said that he would propose to the Ontario government that men be sent into Ontario's towns to survey their facilities in shipping, housing, education and labor, and to make this information available to industry. Taking Ontario's industrial population closer to the farms, through building up the towns, Mr. Kelley said, would reduce farm products distribution costs and increase cash returns to farmers.

JANIE

The Parent-Teacher meeting on Wednesday evening was very successful. The object of this meeting was to give the parents an opportunity to discuss the term reports and the progress of the students with the teachers. It is expected that a similar meeting will be held after each term report is given out. The technicolour film, "The Milky Way," was shown to the parents.

The films for this week are: "Poultry," "Argentina" and "Heal-th."

The Executive arranged a nice party for the school last Friday evening with dancing in the auditorium and games for the non-dancers in the hall.

G. H. S. is a hive of industry these days with hockey and basketball heading the sports. Mr. Eaton is spending extra time in voice training, and the Dramatics Club is preparing a play. Of course there is a bit of studying going on too.

GRIMSBY-13 DUNNVILLE-3

The Grimsby High School hockey team rode to victory over Dunnville Monday night by a score of 13-3.

Play was slow early in the game but speeded up during the second and third periods.

Don Catton in the Grimsby net let only 3 shots past. He stopped one low driving shot while his foot was caught in the ropes of the net and his stick lying on the ice. All angles considered he did a good job in goal.

Scoring was as follows:

Grimsby
Jewson—4 goals, 1 assist.
Rushton—3 goals, 1 assist.
Fisher—2 goals, 3 assists.
Moberly—3 goals, 2 assists.
Demerling—1 goal, 2 assists.
McPherson—2 assists.

Dunnville
Vail—1 goal, 1 assist.
Hinds—1 goal.
Wilmore—1 goal.

Lines:
GRIMSBY—Fisher, Demerling, Jewson, Rushton, A. McPherson, Moberly, Marr, Smith, Martin, Halinski, H. McPherson, MacAlonen, Riches Cole. Goal—Catton.

DUNNVILLE—Vail Smith, Brooker, Nephew, Corbet, Beckett, Dale, Fleming, Hinds, Scott, Hoffmann, Humphrey, Richardson, Wilmore. Goal—Dayman and Brown. Official—Miller.

The only thing that circulates faster than a rumor is a darn cold germ.

Things are out of balance. One-half of the world needs to settle down and other half needs to settle up.

Obituary

WM. H. GAME

The Siamese Cat

The royal Siamese cat is a distinct breed, fawn in color, with face, ears, limbs and tail a dark brown, and with blue eyes.

Its limbs are short compared with those of other cats, and its hind quarters are high.

The most remarkable thing about it is that the kittens are born quite white.

After about a week, faint markings begin to appear, but even at six months old, a lot of white still shows.

Ho, hum! Many a book isn't worth the jack of its jacket.

Storm Window Notice

We are sorry to advise our customers that orders now on file for storm windows WILL NOT be completed this season.

The lengthy strike at the South Western coast mills has delayed shipments of sash stock thus making it impossible for us to fulfil our commitments.

It is our plan to retain the orders on hand for completion when possible unless the orders are cancelled.

We are sorry to have to give you the bad news but are thankful for the mild weather which has lessened the inconvenience to you.

St. John's W.M.S.

The W.M.S. of St. John's Church held their regular meeting on Thursday afternoon, Jan. 10 at the home of Mrs. W. H. Morris, Kidd avenue. There was a splendid attendance and the new President, Mrs. J. H. Dick was in the chair.

Plans for the coming year were discussed and delegates appointed to the Presbyterian Annual meeting in St. John's Presbyterian Church, Hamilton, 22, 23rd of this month.

Beach W.A.

At the close of the fiscal year just ended, the Beach W.A. wish to report a very successful twelve months, both financially and for the work undertaken and finished. The work that high-lighted the whole year's accomplishment was the tea and sale during the month of November.

The Secretary-treasurer's report on the Circle's finances was exceptionally good. At the last meeting, the group voted unanimously to turn over to the Trinity W.A. the amount of \$75.00.

Women's Institute

The January meeting of the Women's Institute was held Tuesday evening at the home of Mrs. C. Norman, Mansion Apts. The Roll call was "Bring an economic recipe."

Shower

A pleasant time was spent last Thursday evening at "High Ledges", the home of Mr. and Mrs. Andrew S. Bain, Main west, when a shower was held for Mr. and Mrs. Jack McLaren who were recently married.

After a mock wedding (which was very much different from a real one) a large decorated hamper filled with gifts was brought in and presented to the happy couple. The groom in a few well-chosen words thanked everyone and an interesting half hour was spent in examining the gifts.

The rest of the evening was spent in cards and dancing. Following is the address:

"As friends and neighbors we all know the reason we're gathered together on this happy occasion. It's to offer congratulations and wishes the best For long life and happiness and all the rest.

To two whom we hold in the highest regard Who've been kind and helpful with no thought of reward. So to you dear Jack and to you dear Nancy We bring these small gifts, some plain some fancy. May you find they are useful every day.

As you travel along on your happy way. We wish you good luck as the wedding bells chime

(Here a peal of bells chimed forth from unexpected corners—cow bells, school bells, sleigh bells etc.) And be sure to come back to see us sometime. (Signed) Your friends in Grimsby.

I.O.D.E.

Mrs. Ryland H. New, National President of the Imperial Order Daughters of the Empire announced the Post War Service Programme of the I.O.D.E. which will function from this date, January 16th, 1946, and that during this period of transition from war to peace the normal peacetime programme of the Order will still be maintained.

The name of the Imperial Order Daughters of the Empire is well-known in Britain and by the Polish people, a bond of sympathy having been created during the years of war which should be a substantial factor in the peace to come.

The I.O.D.E. Post War Service Programme will provide: British and European Civilian Relief, including direct Polish Relief. Work for Seamen: (a) adoption of ships; (b) Seamen's comforts. Hospitality: (a) for convalescent Service men and women; (b) continued work in hostels, canteens, clubs or Service Centres as long as the need exists.

Europe is in ruins, Britain hard-pressed and suffering from greater privations than at any time during the war. Canada and the rest of the North American continent is the only source from which help can come to the desperate people of Europe. General Eisenhower said that if America did not help Europe now these people will wonder why they have helped to overthrow the German Government.

The situation of most people in Europe is beyond our imagining. Thousands are now dying of cold and hunger. Their clothing and bedding are rags and their homes but ruins around them. It is estimated that even with the help now on its way and which can reach them soon, millions may die of cold and starvation. The women of Britain have been sending what they could and are knitting and sewing to help save Europe. In the face of these conditions we who have plenty cannot go home to normal living but must help share the burden in the Battle for Peace.

Industries in Europe have been wiped out, millions of innocent victims left in the wake of the war roam the country with no place to call "home," or are living in Concentration Camps with the future a grim uncertainty. The thought that the people of the British Empire are working for them will give them faith in what they fought for and hope that the right sort of order will come out of the chaos.

The peace following the war of 1914-18 failed, let us do our part to see that the peace now in the making does not fail for the want of anything we women of Canada can do.

The I.O.D.E. Post War Service Programme is designed to point the way to directing our labour and resources on behalf of those so desperately in want. With the shortages of supplies in ready-made clothing, it is the sewing and knitting of our members which is the greater need of today.

So, on behalf of all those who died or lost their youth and their health to win the fight against tyranny, our members are asked to begin on a new post-war programme of work. We cannot rest for we must keep faith with those who won the war and this can only be done by helping those made destitute through no fault of their own. If the suffering people of Europe are deserted now the peace will not last, but if we show them that we care, by sending them comforts, we will help restore their morale and confidence in mankind and in the eventual triumph of the message of "Peace on Earth, Goodwill to men."

Eastern Star

The regular meeting of Grimsby Chapter No. 195, O.E.S. was held in the Masonic Hall on Tuesday evening with Mrs. Letha McNinch W.M. presiding, assisted by Mr. Herbert Belzner W.P. Guests were welcomed from Stoney Creek and Burlington.

Mrs. Marjorie Hitchman, convener of the Benevolent Committee reported having sent Christmas boxes to two needy families.

Report of the Grand Chapter session held in the Royal York Hotel in December, was very capably given by Mrs. Muriel Anderson. It was of interest to learn from the report that the Patriotic fund sent \$23,506.00 to the "Boots for Britain" during the six years of war, and that \$8,072.00 was spent on hospital comforts, besides 67 wheel chairs, 36 roll bedside tables, 42 pairs of crutches and several bedside tables, radios, fans and bed lamps.

At the of the meeting, Mrs. Pearl and Mrs. Virginia Foster acted a draw, which was by Mrs. Joan Taylor of St. Creek.

Social hour followed, with Mrs. Marjorie Hitchman and committee family.

WELCOME

Under the above heading, which we hope by next week, will be a suitably engraved plate, The Independent will record the arrival into this world of all babies born at West Lincoln Memorial hospital, giving complete data and there will be no charge to the parents. If the parents will provide us with the names of their babies we will be more than pleased to publish them.

As published last week, the first baby born in West Lincoln hospital was a little girl, the daughter of Harry and Mary Kristalovich, R.R. No. 1, Beamsville. Living up to the old truism of three in a row, West Lincoln done just that.

The second little cherub to arrive was a girl, the daughter of Stewart and Norma Warick of R.R. No. 1, Smithville. The baby weighed five pounds. Dr. A. F. McIntyre was the attending physician. This birth occurred at 12.17 a.m. January 10th.

The third baby was also a girl, the daughter of Clifford and Bernice Walker, of Grassies. This baby arrived at exactly 12 noon on January 11th. Dr. J. H. MacMillan was the attending physician.

Women's Auxiliary Of Hospital

The Women's Auxiliary of the West Lincoln Memorial Hospital are organizing an Elimination Bridge Tournament similar to those formerly arranged by the White Elephant girls.

Anyone wishing to enter this Tournament, please phone 133 or 527 for details by Friday, January 18th. We would like all organizations to take part in this work for your Hospital Auxiliary.

Trinity Bible Class

The annual meeting of Trinity Women's Bible Class was held at the home of Mrs. Jarvis, Depot St., on the evening of Jan. 11, 1946.

Mr. Watt took charge of the business meeting and the following officers were elected for the ensuing year.

Class Teacher—Mrs. John Millar. President—Mrs. W. Bartlett, Secretary.

Mrs. G. Tennant, Treasurer. Mrs. J. Klock, Flower Convener. Mrs. A. Jarvis, Supply Secretary. Mrs. H. Pickett, Assistant Teacher; Mrs. S. Murphy. A pleasant social half hour followed.

Mrs. J. Graham who had been president for the past two years resigned to take a class of girls in the Sunday school.

BEACH SCHOOL CLUB

The Grimsby Beach Home and School Club had a very successful meeting Friday, January 11th. Miss Isobel Price gave an interesting and informative talk to the mothers and teachers on the aims of the Lincoln County Health Unit. Parents are asked to co-operate by sending word to the teacher or nurse if their children are ill and if a Doctor has been called.

Plans were made to hold a Valentine Bridge and Euchre party Friday, February 8th, and the meeting ended with a social cup of tea.

Frank Ball and Roger Hawes have formed a partnership under the name of Grimsby Plumbing and will conduct a general plumbing business in Grimsby.

Fred C. Bivand who received his release from the army after two and a half years' service, 15 months overseas, is reopening his business of general painter and decorator in Grimsby.

Fire department had a call to the home of Kenneth Warner, 28 Elizabeth street at 10.30 Monday night. Mr. Warner came home from the arena to find the house full of smoke. An overheated stove started the trouble. Little damage was done.

A sitting of the Ontario Municipal Board will be held in the Par- clock on Wednesday afternoon, 11 a.m. at the Board's offices, 200 Bloor street, Toronto, a two January 23rd, to reject or approve Bylaw No. 518 of the Township of North Grimsby. This bylaw is the Township's building bylaw that has never been approved by the Board.

WANTED.—We would like several copies of The Independent of the issue of January 10th. Our files are depleted and we must have at least 10 copies to complete these files. Any person with a copy of the 10th issue, will confer a favor by dropping it into the office.

Thomas Gammage of Goderich visited with friends in town for a brief while on Wednesday. He had been in St. Catharines attending the funeral of his youngest sister Florence Mary Gammage who died at that point on Monday. Mrs. Gammage and Mrs. Gammage, Sr., are still residing in Port Dalhousie, until such time as they can secure a house in Goderich.

Arrival date of the Lincoln and Welland Regiment in St. Catharines is uncertain with the announcement that the giant liner Mauretania has been removed, at least temporarily, from the Canadian repatriation run. The removal of the ship from the run was revealed in Halifax in a revised list of ship movements issued by military authorities.

The inaugural meeting of the Lincoln County Pensions Board was held last Thursday in the county building when nine cases were considered by the board. Chairman George Hedley was in charge of the meeting. Two applications for old age pensions were recommended and four refused. The remaining three were laid over for further investigation. Present at the inaugural were: George Hedley, George Montgomery, Mrs. W. H. Groce, Mrs. Thompson Wilcox and Secretary Miss J. Davidson.

A Grimsby resident hibernating in Florida's "imaginary" summer weather writes to The Independent that the people of Canada should have no kick on rationing. They are getting plenty. Down in the "four-flusher state" the residents have only had one-quarter of a pound of butter since before Christmas. Even coffee, the great American beverage, has practically disappeared from the shelves of the stores. Bacon and hams are nonentities. Far away fields are green, but the Grimsby Peach Belt is still the verdant green of them all.

BEAMSVILLE

Trinity Circle

Trinity United Church Circle No. 6, met at the home of Mrs. C. Blatchford, Beamsville on Monday afternoon for their monthly business and social meeting.

Considerable work was done on the quilting project, the finished project being turned over to the Red Cross. Lunch was served to the twenty-five members present for the afternoon session.

Baby Clinic

The second in a series of baby clinics will be held this Thursday afternoon at the Beamsville Health Clinic.

These "Well Baby Clinics" are under the sponsorship of the Beamsville Women's Institute, and Mrs. R. A. Saunders, President of the W.I. assisted by Mrs. Harry Banks will be present to aid the Doctor and nurses in their task of checking over young babies.

Inoculations are but part of the program, which will be maintained by the W.I. Looks like Beamsville babies are in for a good start.

Beamsville Girls Bowling League

Pauline Burton's two sixty-eight still remains the top single game for the Beamsville Lady Bowlers, with Marg. Turford holding the high average, one hundred and seventy-eight being the best in the league to date.

League standing:

Aces	17
Happy Gang	15
Spitfires	14
Lawnbowlers	11
Merry Macs	10
Business Girls	8

Beamsville Men's Bowling League

At long last we are able to announce the standing of the league, which is to say the least in a rather shaky condition. Hardball have deemed it necessary to disband, and as far as we can ascertain, any team scheduled to meet the ex-Hardball outfit will simply say home and keep their nose clean, and still collect four points.

Standing as of December 31st:	
Jordan	38
Lincolnares	34
Hydro	28
Wildcats	26
Faithful Five	22
Hardball	21
Hornets	20
Beginners	19
Lions	14
Lakeshore	8
Blackhawks	4
Beamsville Dairy	3

High single game for the year thus far has been from the steady arm of one A. G. Richmond, Principal of B.H.S. and a member of ye olde Faithful Five. A.G.'s 354 might stand for quite some time.

Leading the averages is "Jonny" Juhike, backbone of the Lincolnares, who has for himself a 224 average for the year. Capt. Nori Strong of the Jordan quintet holds the high triple with a 769 count.

Coming Events

Alexina Rebekah Lodge are holding a Bridge and Euchre party on Tuesday, January 22nd at 8.30 p.m. in the Masonic Hall.

Brownies

Our Brownie pack seems to be suffering from the cold epidemic, a large number being absent from our meeting of January 15th.

The Brownies working for their Golden Bar are very keen and nearly all arrived with their sewing in which they worked like beavers. Those working for their Golden Hand brought their knitting.

After Fairy Ring and Roll Call, Fairy Gold was collected by the king and queen and then tax collector. This game being a prime favourite.

The Brownies were then reminded of the nature study observations and it was suggested they help to feed the birds in these next two months and see how many different kinds they could attract to their doorstep. The meeting closed with taps.

Trinity Choir

The Annual Meeting of Trinity United Church Choir for the election of officers for the coming year was held at the home of Mr. and Mrs. T. L. Dymond.

Officers were elected as follows: Honorary President—Rev. W. J. Watt, Mr. G. M. Beamer, Mr. W. E. Cullingford; President—Miss Dora Wilkins; Vice-President—Miss Olive Kitchen; Secretary—Treasurer—Miss Isabel Pickett; Librarian—Miss Joanne Eaton; Assistant Librarian—Miss Lois Rahn; Mistress of the Robes—Mrs. W. E. Cullingford; Social Convener—Mrs. Fred Botterill; Flower Committee—Miss Madeline Blanchard; Games Committee Convener—Miss Agnes Humphries.

Following the business portion of the meeting, a programme of games was enjoyed, under the leadership of Misses Joanne Eaton and Lois Rahn. A delightful lunch was then served by the hostess.

Obituary

MRS ALICE ROBERTSON

Following a brief illness, there passed away at the St. Catharines General Hospital, Tuesday morning, Jan. 15th, Mrs. Alice Robertson, beloved wife of Andrew A. Robertson, in her 77th year.

Deceased was a comparatively new resident of Jordan Station, having moved there about a year ago from Port Dalhousie.

The late Mrs. Robertson was born in London, England and came to Canada when she was ten years of age.

Left to mourn her passing besides her husband, are three daughters and one son, names of which we were unable to obtain at this time.

Funeral services will be held Thursday afternoon from the J. W. Buck and Son Funeral Home, Beamsville, at 2.30 p.m.

Rev. Dr. J. P. Jones, Pastor of the Jordan Station United Church will conduct the services at the Chapel, and also at Oak Lawn Cemetery, Jordan Station, where interment will be made.

PEACH KINGS SCORING SPREE AGAINST DUNNVILLE MUDCATS

By Wee McGregor

It's a fine thing, a sad state of affairs when this lowly writer must handle for his debut with Canada's foremost weekly newspaper, having to handle a hockey game where the players get absolutely nasty about the matter, and insist on scoring goals with such rapidity, that would make an acknowledgment curl up and die.

For their second home game of the season the Peach Kings were hosts to the famous Dunnville Mudcats. Mudcats being a species of fish, their natural habitat being a swamp, which is what they were—with an "ed".

Close to six hundred and fifty rabid hockey fans were witness to the slaughter, at the local shabby adobe, and will testify I trust, that the Kings did amass a total of twenty goals, something which my trusty tabulator could not stomach, said machine giving up the ghost at an early stage of the game. Probably because of a rare malady known as goal-phobia. R.I.P.

The first few minutes of the game were interesting, because it was in the opening minutes that the Dunnville squad actually held their own. But it did not take long for the "oldies" of the team to slow down, and the Peach Kings took command, never to lose control. It should be made clear that the visitors lacked some of the necessities of a good hockey team, but spirit and the will to fight to the last cannot be included as something they lacked.

The first score of the game, came at 7:40, when Clancy scored unassisted. Three minutes later Tallman stuck the rubber behind Dunnville. At the twelve minute mark Clancy scored his second marker, on a pass from Craig. At fourteen-fifty, "Pud" the Reid scored, Pidosny getting an assist. Dunnville were two men short at this time. Things were really getting hectic at this point. At the sixteen minute mark Tallman scored from behind, twenty-three seconds later Tallman scored unassisted. Twelve seconds later Jeffries scored from Whitfield. Warner ended the fracas with a goal at the seventeen-thirty mark. Dunnville's Tommy Long scored their lone tally for the first frame.

Bus Phillips getting the assist.

The second period was a trifle easier on everyone concerned. Peach Kings scored four goals, Jeffries getting one, Clancy notched his third of the evening, and Whitfield came through with a couple of doozers. Mag Long and Bus Phillips each scored for the Mudcats. And the period ended with the score standing at twelve to three.

The final stanza, and we are groggy at this point. This one was marked especially for Kings. The Mudcats were slowing down considerably, but still played a type of hockey that left their net-minder wide open for the frequent break-aways. And the forward pass Kings was using to great advantage, certainly made for plenty of action.

Craig got cookin' on the front burner in this frame, scoring three nice goals. Clancy snatched his fourth and fifth of the night, and Jeffries, Pidosny and Whitfield each picked up lone tallies.

With his defense mostly on the offense, its orchids from this department to Russ Dunham the Mudcats goalie, for keeping the score down to twenty.

And so the final score stands at twenty for Grimsby and three for Dunnville. Sorting out the pages and pages of notes, deducting here adding there and doodling in between the lines, we come up with the following statistics:

1. Jack Miller, defenceman for the Kings, was the only player who failed to score a goal, but is credited with two assists.
2. Clancy was high man for the night, with five goals and three assists.
3. Three men did the hat trick, Tallman, Whitfield and Jeffries each scoring three goals, and as many assists.
4. Nobody. Nobody that is. Lost their teeth.
5. I am now writing with the other hand.
6. Goodbye.

Funny business is sometimes not so funny when it is happening to you.

Things are getting better. Boarding house soup is now being served thicker than water.

SPORTOLOGY

(By Bones Livingston, Sportologist)

GIVE THE BOY A BREAK—This week a new sports writer appears on the horizon of FRUIT BELT newspaperdom. He is J. GORDON MCGREGOR, a son of the late ANDREW and Mrs. MCGREGOR of BEAMSVILLE. This boy writes a good line, but he still has a lot to learn, but give him time. When you sew a kernel of corn in the ground in April, you certainly do not expect to harvest a crop before October. Therefore use the same judgement with this youngster. He knows his hockey. He knows all lines of sport, but like all the rest of us, he will make mistakes. Working for LINCOLN'S LEADING WEEKLY doesn't make mistakes, but kids do not always carry out orders. If he crosses you call me.

STRIKES AN' SPARES—BILL FISHER is waking his BUTCHERS UP. They took three points from the HEP CATS and BILL bowled a 300. . . . WONDERS keep on going to town. They had nine games over 200. . . . HAMMY FOX rolled a 237-185-288 for a 730 total when GENERALS took four points from LEGION. THE GENERALS had 11 games over 200. . . . PEACH QUEENS are in difficulties. They have to have a new secretary and Mrs. BERTHA HUMMEL has resigned. A meeting was called for Monday night and only five girls out of 96 in the league showed up. That is not so good and has PRESIDENT JOYCE SHELTON worried. Another meeting will be held in THE INDEPENDENT office at 7:30 o'clock on Monday night next and all players should attend.

DON'T SELL PARIS SHORT—It looks like there is going to be a real old time hockey tilt at GEORGE MARR'S congealed water pool on Friday night. PARIS GREENS are coming to town and by all statistical reports they are just going to be a right tough crew of homebros for the PEACH KINGS to handle. When the two teams of gladiators step out on the ice lanes they will both be unbeaten teams in the group. PARIS has won three games. PEACH KINGS have won three games. Look out for fireworks. HARVEY FAIR an old Grimsby boy, son of GEORGE and the late Mrs. Fair, who learned his hockey and learned it well, on GRIMSBY ice is not only playing with the GREENS but he is also coaching the team and that says a whole lot. That boy always did have hockey ability and hockey brains and despite his four years' service overseas he is still a powerful man on the ice. This game looks like it will be the ace high performance in the group play. So folks do not be disappointed. Pack that old ARENA to the rafters and give the PEACH KINGS the support that they deserve. Incidentally, PORT COLBORNE has won one game and lost three. HAGERSVILLE has won two and lost two. DUNNVILLE have lost four. But look out for those youngsters on that DUNNVILLE team another year.

ONCE BITTEN, TWICE SHY—That used to be an old hack that held true, but in the case of Ernie Mason it should read "nine times bitten, come back for more." He's back. Back in hockey again despite the wonderful financial success ? ? ? that he has had in past years. Yup, ERNESTINE is right in the middle of the fray, and I say yay, for he has entered a LEGION team in the FRUIT BELT HOCKEY LEAGUE and those teams don't play powder puff hockey. Just wait until the first committee room arguments start and then ERNEST and his right-left-and-in-the-middle-blower BRIGADIER CORPORAL GEORGINA WARNER will be sitting right in the middle of my desk yelling "aint we right Bones, aint we right." Nevertheless this little LEGION team are no stumble turns and neither is any other team in the league. A lot of right smart hockey is being produced and I am willing to wager a sardine against a whale that by the end of February a team can be picked from this league that would give BIG RUSHTON and his PEACH KINGS a lot of caranium pains. All the players on the LEGION team are this war servicemen or the sons of Veterans. Next week I will tell you more about them, also about that WINONA aggregation if HARVEY WALKER will quit talking long enough to put his words on paper.

GRIMSBY LIONS MINIATURE LEAGUE—Four more League games were played in the Miniature Lion National Hockey League on Saturday morning last at the local ice place. Canadians applied the whitewash brush to Chicago to the tune of 2-0, both goals were scored by Robertsons, the first by Douglas and the second by William. Chicago were badly understaffed and could only place one line on the ice. See Smith, the Captain had better do a little checking on his players and make sure that they show up in time for their respective games. The second game was in the Minor Series and saw Pittsburgh defeat Syracuse by a 3-1 tally. Robert Start was the big gun for Pittsburgh and etched all their tallies. The lone marker for Syracuse was secured by Reddie Nelles and was well deserved. The closest contest of the whole morning was that which saw Detroit defeat Maple Leafs by a 2-1 score. Rifford Schwab and Alan Scrivener were the goal getters for Detroit while Richard Dousett bulged the twine for the Maple Leafs. The final game saw New York Rangers take Boston by a 1-0 tally. The lone goal of a very good game was secured by Bois Croft who played heads up hockey all the time he was on the ice. Boston have not as yet hit their stride but when they do commence to pick they should make it interesting for the other teams in the League.

Schedule for January 19th.

- 1st game—New York Rangers vs. Detroit.
- 2nd game—Maple Leafs vs. Chicago.
- 3rd game (Minors)—Syracuse vs. Pittsburgh.
- 4th game—Canadians vs. Boston.

BOSTON—John Juras, Capt.; Stephen Hooper, David Levine, Ralph Hoffman, Albert Buckenham, Sinclair Mackie, Robert Steven, Walter Friesen, William Fulton, Christopher Wade, Douglas Kelterborn, Robert Kosoury, Lawrence Piotrowid, Ronald Lunt, Raymond Howe, Richard Collin.

NEW YORK RANGERS—Bruce Mason, Capt.; Howard Walters, Ronald Blair, John Scott, Charles Shields, George Slade, Raymond Fisher, Frank Poole, Lucien Pilon, Ray Hatter, Sydney Henley, William Henley, John Blazenko, William Lee, Bois Croft.

NOTE TO CAPTAINS—If you find that you are unable to act in your capacity as Captain please notify either Father O'Donnell or Mr. Griffith before 4 p.m. on Friday preceding the game.

HERE, THERE AND YONDER—LITTLE WHIZZER ad the Flu. By PIRATES performance, nobody knew it, except WHL. . . . EARL MARSH showed up at the KINGS-PORT game in a ne black chapeau. How come. BOB BOURNE wants four frogskins for a cap. . . . GEORGE MARR says he don't care how high the thermometer goes, his slogan is "Good Ice In Any Weather". . . . PUD EID with a cigar as long as he is. His croony ARCHIE DIXON chaf smoking cigarettes. I have seen the day when ARCHIE would not smoke a cigarette in front of PUD and if he caught PUD puffing on the weed there was, well, you know what to pay. Time Marches G. . . . OLD POP McVICAR. Four feet of legs. Two feet of body. 900 feet of brain, laughing his schnozzle off over RUSHTON'S teeth. Incidentally the OLD BLACK HORSE is providing a lot of gimpy-gimp behind the KINGS. . . . JIM FISHER says he never knew there were so many skates in the world until he started to sharpen them at the ARENA. . . . If you want to see real hockey, that comes from the heart and the desire to play, then visit the ARENA on a Saturday morning and take a gander at those little midgets that FATHER O'DONNELL and the LIONS CLUB are fostering. Those are the kids that in the not too distant future will be the PEACH KINGS that will again go forth to the hockey wars and startle the world with their prowess, the same as the old kids did in 1925. There is plenty of potential National Hockey League talent on that ice every Saturday morning. Go take a look. . . . 650 fans took in the KINGS-MUDCATS game on Friday night. Make that an even 1,000 this Friday night. You will see a great game. KINGS are going like a Texas tornado and the PARIS GREENS are even stev'n with them. Neither team has lost a game this season.

Peach Buds Win

Grimsby Peach Buds defeated Hamilton Air Cadets by a score of 3-2 on Wednesday night last. The Buds held a 2-0 lead through the first two periods on goals by the Caddis and Lawson but the Caddis came back to tie it up in the last period before Demerling of the Buds scored the winning goal near the end of the game.

The Peach Buds play every Wednesday night.

Legion Team Wins

Grimsby Legion hockey team played their first home game in the Fruit Belt league on Monday night against the fast travelling Beamsville aggregation. It was tough hockey from gong to gong with the game ending in a three all tie. Legion goal-getters were Duffield Hand and Rooker.

Legion line-up—Goal, Henderson; Defence, G. Duffield and Siblock; Forwards, Hand, Farrell, Winters, H. Duffield, Lawson, Metcalfe, Warner, Rooker, Holenski, Konkle, Luey and Metcalfe.

ANTISEPTIC STOCKINGS?

At the end of the war scientists and hosiery manufacturers were still looking for an effective antiseptic with which to treat soldiers' socks, and so reduce the cases of trench and athlete's foot. Research is continuing, and may mean that stockings of the future

ed above the average in the tests here.

Before the established mid-season varieties such as Valiant and Halehaven are ready for market two interesting new varieties from New Jersey called Golden Globe and Sunhigh are deserving mention.

They bear fruit of more than average attractiveness and have yielded well.

Between Halehaven and Starks Early Elberta there is room for a good peach and the variety orchard has shown that Summercrest, a New Jersey variety and Redelberta from Starks will fill this need. They qualify in both yield and quality of fruit.

Quite a large number of Elberta seedlings mature after Starks Early Elberta but so far only McGuigan's Seedling which matures five days before Elberta has created any real interest here. Queen Elberta is an excellent peach in the same season but the yielding ability of this variety has not been proven as yet.

Elberta is probably the latest maturing profitable variety generally grown in Essex County and it is doubtful if growers are really

justified in growing later varieties which do not seem to compare in quality with mid-season varieties. Brown Rot, insect injury and excessive dropping of fruit tend to reduce the yield of later varieties and render them less profitable.

Complete information about these varieties is not given here. Hardiness of wood and bud have not yet been determined. The shipping and canning quality remain to be assessed.

UKRAINIAN CHRISTMAS

Throughout the entire evening one noted the well-pleased expressions of the listeners as they followed their program with keen interest. Indeed, the colourful, centuries-old Ukrainian costumes worn by the choir members and the exceptional fine work done in the choir pieces under conductor Frank Martyniuk were well-received by all present.

In fine, Father Kohut, on behalf of the Committee, thanked those present for their kind attendance and expressed the hope that it would soon be possible to greet them again at other concerts.

YOUNG MOTHERS

The babies were not on view, so we cannot give a detailed description of them. So jealously guarded were they that not even the most lawless germ would venture to force an entrance to their nursery. If ever babies had a good start in life it is these three — Sylvia Frances, Elizabeth Louise, and Rowena Bernice. The first two, by the way, have been given family

names, but Rowena, — where have we heard that name? Was not she the lovely Saxon heroine in Scott's Ivanhoe? Bernice comes down to us from classic times.

From their own account, we venture to say there were no happier women in the whole of Ontario that Sunday morning than those three young mothers in West Lincoln Hospital. Everything possible is done to make them comfortable, they will tell you. All have excellent appetites, the meals are wonderful, and "everything tastes so good." Best of all, they feel this is their own home hospital, and are so relieved at not having had to go to a crowded city hospital, amongst strangers. They have had the personal attention of the entire staff, and know they are among friends. Still another advantage, they point out, is the ease with which their families can reach the hospital to visit them. This all adds up to contentment.

With the exception of one or two pieces of surgical equipment still on order, everything is in place and ready to go. But the need for little extras, such as flower vases, magazines, and jams and jellies to add interest to the patients' trays, is beginning to be felt. And another thing, — what about a few toys for the child patients who will be coming in? Those that can be sterilized are preferred, made of wood or metal, too big to swallow. Mothers will know the right kind, Miss MacRobbie says. These are little ways in which everyone can help.

You Came Along

Robert Cummings, back in a fine role that gives him plenty of opportunity for use of his talents; an exciting new star, Elizabeth Scott, lithe and vibrant in an emotional characterization and a timely story concerned with the problems of three flyers just back from the war make this an attraction with definite boxoffice possibilities. It is the third Hal Wallis production for Paramount and definitely stamps him as one of the most important contributors to the company's lineup. Miss Scott, discovered in the Olsen and Johnson show, "Hellzapoppin'," has the role of a girl assigned to pilot a war effort tour of the flyers. She falls in love with Cummings, who may not live. They marry, living each moment as it comes. It's so human so in tune with life today and so well done, it will appeal to young and old.

This fine picture is showing at The Roxy today and tomorrow.

Things are much better. People have quit dropping buttons into the collection plate but now it's foreign money.

An old-timer is the one who can recall when it embarrassed a woman for her dress to show her ankle.

"T-I-M-B-E-R . . . !"

Each winter, the warning cry of "Timber!" echoes throughout the Canadian forests as mighty trees fall. This is a call that re-echoes into every Canadian home for, of all our natural products, wood is the most versatile. Its diversified uses have provided a livelihood for approximately 250,000 Canadians and wood products have been, since the earliest days, among our most important exports.

And yet—for every twenty logs that are cut in Canadian forests, seven are still destroyed by fire, insect depredations and disease.

This drain on a vital natural resource can be lessened only by an awareness on the part of each one of us of the ways by which our forest wealth can be protected and conserved to maintain a continued prosperity.

As a contribution to this national need, Carling's have formed The Carling Conservation Club, through which you may gain knowledge on the subject of conservation. *Join this club today simply by writing to Dept. (C13), The Carling Breweries Limited, Waterloo, Ontario, and current, authentic information on conservation will be sent to you, now and in the future, as it becomes available, at no cost to you.

QUESTION OF TOWNSHIP FIRES BEFORE BEAMSVILLE COUNCIL

SERVICE CLUBS MUST PROVIDE LEADERSHIP IN BOYS WORK

Final Meeting Of War Services

Committee Of Citizens Of
Combined Municipalities
Complete A Most Wonderful
Job.

The Beamsville, Clinton and Louth War Services Committee held their final meeting at the Council Chambers Tuesday night, with a small attendance being registered.

Considerable business was dealt with in order to arrange the final disbanding, which must receive official sanction from Ottawa. The distribution of funds must meet with the approval of Ottawa, before the organization can be officially disbanded.

With regard to the wool and completed socks, these will be turned over to the I.O.D.E. for the British War Victims, one of the services the I.O.D.E. is supporting.

It was also announced that eighty-five Christmas boxes were shipped overseas and that at the present time there are approximately sixty members from this territory still serving overseas.

A full report, including a financial statement will be released in the near future.

Trinity Choir

The choir of Trinity United Church, Beamsville held a social evening last Friday at the home of Mrs. R. A. Saunders, who kindly opened her home for the occasion, and entertained the members of the choir, and also served a tasty lunch, following the election of officers for the year 1946.

The following are the newly installed officers:

President, Mrs. C. E. Blackmore; Vice-President, Mr. James Lay; Treasurer, Mr. Warren Lay; Secretary, Mrs. H. L. Canning; Librarians, Misses Joyce Selby, Dorothy Manley, Susie Mireau; Mistress of gowns, Mrs. R. C. VanDyke; Visiting Committee, Mrs. F. J. Thomson, Mr. E. N. Comfort; Social Committee, Mrs. Merrill Thompson (convenor), Miss Alma Tufford, Mr. James Lay, Mrs. M. Kennedy.

Beamsville Lions Club Hears Interesting And Instructive Address — Perfect Attendance Chevrons Presented To Members — Seven Lions Have Six Year Record.

The first meeting of the year 1946, was well attended by the Beamsville and District Lions Club, over which Chief Wilfred Richardson presided.

The speaker of the evening was Mr. Stanley Elliott, Vocational Director for the City of St. Catharines, whose timely address, was of much interest to Clubs, such as the Lions.

Mr. Elliott gave a vivid and comprehensive address on boy's work. Outlining its aims, field of service, and the need of qualified leadership. He then outlined the programmes most likely to bring desired and valuable results. His address was a challenge to service clubs, to provide suitable leadership in this work.

"The aims are three-fold, said Mr. Elliott. "First, to engage boys in Christian living. Second, to enlist and train boys to become givers of service, and thirdly, to get boys to co-operate with their homes, the churches and schools, and the community in which they live."

"The field of service, said the speaker, should be limited not to a select few, but to every boy in the community."

He further stated, that every Lion should be a boy—that is, he should join them, and direct them in various group activities. For example, activity groups, friendship groups, leisure time groups, and those who agree to work together in society.

Characteristics and qualifications of a suitable leader, and a successful one must include such traits as, resourcefulness, ability to mix and be accepted by the boys.

A successful leader must also have time to devote to his work, and the ability to indulge in various crafts, and social skills.

The Problems of Youth which in many cases manifest themselves as give expression in vandalism, truancy and petty thieving are:

1. Economic lack as compared with their friends.
2. A few have no confidence in their learning ability.
3. Those who really lack learning ability, these should be measured by what they have, rather than what they lack.
4. Lack of motivation.
5. Indifference.
6. Discouragement.

"I feel, said Mr. Elliott, that service clubs and their individual members are best adapted to provide such leadership, and that we should show more friendship, patience, and interest in the youth of our community."

Dr. Clive Caswell was welcomed back by his fellow Lions. Dr. Caswell having spent several years overseas.

Ex-Chief Frank Sutherland presented perfect attendance chevrons to the following members:

Six year chevrons to—Lions H. Cox, E. O. Konkle, R. Richardson, W. Richardson, O. Robb, B. Reid, Dr. C. Wray.

Five year chevrons to—Lions Frank Sutherland, S. Price.

Four year chevron to—Lion G. Honsberger.

Two year chevrons to—Lions G. Hale, H. Cornelius, J. Juniper, C. McKeller.

One year chevrons to—Lions M. Ghent, S. Gibson, L. Martin, A. N. Payne, C. Russell, C. Stoner, A. Hasty.

The meeting was brought to a close with a sing-song period, led by Lion Dr. C. Wray, with Miss Mary Gillespie as piano accompanist.

Nursing Reserve Being Formed

As another step in the right direction toward helping the sick, and to have a group of qualified nurses aids a Nursing Reserve will be formed in Beamsville.

The thought in mind behind this venture, is to have on hand a sufficient number of volunteer nurses aids, to alleviate the shortage of Registered Nurses, if and when an emergency arises, and also to give service to those needing assistance in time of sickness. All of which will be done on a voluntary basis.

A series of sixteen classes in home nursing, will be held under the supervision of nurses and doctors of this vicinity, and successful candidates will be awarded their pin by the Red Cross.

Those wishing to join must be over eighteen years of age. Complete details will be forthcoming in the near future.

Some Members Believe Fire Fighting Equipment Being Worn Out Battling Rural Conflagrations — Clerk Reid Gets Extra Duties As "Things Are Not Like They Used To Be"—Question Of Sewers Will Come To Fore At Next Meeting.

The inaugural meeting of the Council of the Village of Beamsville, was opened with a brief service and prayer, conducted by Rev. F. Baisdon of the Baptist Church. Following this ceremony, Reeve R. A. Saunders welcomed the two new members of council for the year 1946. Ex-reeve F. L. Laundry and H. W. Banks being the two new faces seen around the municipal table.

The four and a half hour session got underway at 7.30, so that the thirty-odd resolutions, and other matters of civic interest could be dealt with.

Accounts for Dec 15th to 31st were dealt with, and were passed, the figure for this period being \$974.54. Accounts totaling \$2,953.47, for the period starting January 1st, and ending Jan. 14th were also passed and filed.

Chief Constable Arnold Manley's report was read and accepted. The report showing nothing other than routine matters for the month of December.

Among the various appointments made for the fiscal year was that of Mervin Ghent, to the Library Board for a three year term. Seymour-Lampart, Solicitors for the Council for many years, will again act as legal advisors. The re-appointment of Chas. Good as school traffic officer, at a salary of \$50.00 per annum was also passed.

The stray dog will have a temporary home from now on, and the master of Beamsville's pound will be Mr. Clarence Martin, Ontario St.

Other appointments are that of Mr. F. M. Culp, as Fruit Pest Inspector, at an hourly wage of fifty cents.

The re-appointment of Mr. A. D. Stirtzinger, as assessor for the Corporation at an annual salary of \$200.00.

Beamsville's Chief of Police was re-appointed, at a raise in salary of ten dollars. The Chief's salary now stands at \$135.00 per month. Councillor Laundry objected slightly to a raise in salary at this time, but the motion was passed by Council.

When Robt. Miller was made foreman of works at no increase in salary, Councillor Laundry asked, if his salary was to be raised also. Council however passed this resolution, with the salary remaining at 125.00 per month.

The members of Council discussed the matter of chairman of the various committees, and finally settled for the following:

Reeve R. A. Saunders—Finance. Board of works, was again turned over to Councillor Robertson. While Councillor Elmer, asked for and got himself a change. Elmer will act this term as Chairman of the Water Works. To newly-elected member of Council Harry Banks, went the Cemetery Property and Street Lighting Chairmanship. Councillor Laundry will act as Chairman of Fire Protection Printing, Postage, and Relief.

Clerk H. N. Reid came in for a boost in salary, and also an increase in responsibility. Councillor Robertson was of the opinion that the Clerk should be appointed as Supervisor of the Works Department. This would stop the matter of each Chairman having to tell the town foreman what to do and when. "This would be of great advantage, and will assist everyone concerned. The chairman of each committee can simply call the Clerk, who will in turn map out a routine, so that the town foreman comes to him for orders."

"There does not seem to be any system anymore, voiced Councillor Laundry. Things are not done like they used to be, when W. D. Fairbrother was Superintendent of Works, many years ago."

Council finally amended the previous resolution, and the resolution appeared thusly:

Moved by Laundry—second—Robertson, that H. N. Reid, be appointed as Clerk, Treasurer, Collector of Taxes, Superintendent of Cemetery and Works, at a monthly salary of \$145.00.

Other matters up for discussion, included a brief analysis of the proposed sewage system, this mat-

JACK BRODERICK, president of the Lincoln County Federation of Agriculture unit who will preside at the County Convention on the afternoon of Friday, January 18th, at Victoria Hall, Vineland. Jack is a graduate of year '39 of the Ontario Agricultural College Guelph, and now is successfully operating a 40 acre fruit farm in Louth Township a few miles West of St. Catharines in partnership with his father, A. D. Broderick, who is also a graduate of the O.A.C.

ter Reeve Saunders stated, would come up in the next meeting.

The old question of whether or not the Beamsville Fire Department be allowed to attend fires in the township, was raked again over the coals.

Said Councillor Robertson, "the present fire truck is practically worn out already, all of account of these fast, and lengthy trips away out into the Township. They don't even have time to warm up the motor before starting, and then they drive it at top speed all the way to the fire."

"I'd certainly hate to see this matter shut off immediately, at least until the township is conferred with, but I do agree, that we have to think of Beamsville first."

The matter then slipped into a lengthy voicing of opinions, until like most fires, it went out. Temporarily, at least.

Clinton Farmer Passes Suddenly

Found By Neighbour Lying
On Floor — Death From
Natural Causes — Aged
About 42 Years.

Stanislaw Postusiak, Clinton township farmer was found dead in his home, which is located about two miles northwest of Beamsville. His immediate neighbour, Walter Ramus made the discovery late Tuesday afternoon.

Mr. Ramus stated that he had been working near the Postusiak property, and had dropped in to borrow a pair of pruners. Not receiving any response to his knock, he looked in one of the windows, and there he saw the deceased lying on the living room floor, face down.

Croner Dr. C. W. Elmore was called to the scene, and after gaining entry to the home, he found that the man had been dead for several hours. It was very cold in the house. Death came of natural causes.

Elmore established the man's age to be about forty-two.

It was learned that the deceased operated the farm in partnership with two other men, one of these being a W. H. Wiecek, of 100 3rd St. New Toronto.

Provincial Constable E. G. Hope, was called to the scene, and is conducting any necessary investigations.

The body was ordered removed to the J. W. Buck and Son Funeral Home, Beamsville.

Clinton Council

Rev. David Benson, Gospel Tabernacle, gave his blessings for the work of the Clinton township council at their inaugural meeting Monday. All the members were in their places. Following are the township officers for 1946: Clerk, G. A. Tindlin; treasurer, D. E. Boughner; assessor, O. E. Tallman; collector, W. E. Boughner; live stock valuator, Arthur Ecker; tile drainage inspector, Charles George; weed inspectors, R. G. Latimer and H. E. Pyscher; school attendance officer, R. G. Latimer; fence viewers, Fred Drake, Ias Wardell, J. D. Grobb, John Stouck, E. Konkle and Harvey Konkle; pound keepers, A. H. Culp, George Konkle, D. W. High, Howard Tufford, S. F. Russ, Fred Barnum, Loyal Martin, Harvey Keep, George Book, Donald Claus, Fred Frost and Arthur Zimmerman.

Lots like the street lighting situation is in for a going over in the near future. The matter came up in the first session of Council Monday night, and plans were made for the entire Council to make a trip of inspection some dark night next week. If you got a dark corner lady, this is your chance to have something done about it. Councillor Harry Banks is the Chairman of the Street Lighting Department. Give 'em a ring—that's what he's there for.

The B.H.S. Commencement this year will not be about Holland. Hooley for the Irish. Seems to me, somebody has been sticking a finger in the dyke down there at B.H.S. for long enough.

Jack Rabbit drives are becoming quite the vogue. Did'cha hear about the guy who saw several jack's, shot at two foxes, tracked an unknown quantity for two miles, then it disappeared in a barn—with the rest of the cows. And came home with a small cottontail. Tch. tch.

The Beamsville Lawn Bowling Club is throwing another old-time dance this Friday night at the Hall. Eph. Slotes and his tunsters will tinkle for the twisting torsos.

Women's Institute

The regular monthly meeting of the Woman's Institute was held in the Kitchenette Tuesday afternoon with the President Mrs. R. A. Saunders in the chair, there was a very good attendance.

Twenty-five dollars will be forwarded to the Niagara Peninsula Sanatorium, for the upkeep of the Institute bed. One hundred dollars will go to the West Lincoln Memorial Hospital.

It was also announced that the Institute will cater to the Agriculture Banquet, which will be held this month. Mrs. Gordon Philip will act as convenor.

On February 20th, Miss Johnson will give a demonstration and lecture on Health Education. The lecture will commence at ten o'clock, ending at four in the afternoon. Grimsby and Victory Branches will also attend.

This meeting was Home Economics day, and in connection with this, Mrs. G. Philip gave a splendid paper, entitled — Home, Sweet Home, and the High Cost of Living.

A contest was then held, and the meeting closed with the National Anthem.

Afternoon Tea was served and a social half hour spent. Hostesses were Mrs. C. Sweet, Mrs. W. Librock and Mrs. W. Southward.

Fire Department Has Busy Time

An overheated stove at the residence of Mr. Le Dez, Lincoln Ave. brought the Fire Department out Monday night.

Damage was practically nil, and the stove pipes were cleaned by the willing firemen.

This was the third chimney fire the brigade had attended within three days.

Beamsville Fire Department had a doubleheader on Saturday last, their first run being to the residence of Arthur Spaetzel, William Street, where a chimney blaze was brought under control.

Some three hours later, the Department made a fast run to Campden, to extinguish another chimney fire, at the former home of Clarence McIntyre. Smoke damage was the extent of the blaze.

When it comes to acting the fool many a man has natural talents.
